

Join us for a San Francisco Townhall on SB9 and SB 10
Wednesday, April 7, 2021, 5PM

Sacramento wants to eliminate single family homes and neighborhoods by passing “Building Opportunity Bills” that will usurp local control and undermine our ballot initiative program. Neighbors are uniting against them.

Maria & Jeff Kalban of United Neighbors will explain why we oppose SB9 and SB 10 and what you can do about it.

SB-9 and SB-10 are being pushed through the Sacramento political machine without public knowledge or support and the media is asleep at the wheel. Few state legislators know what is in the bills they are passing. Learn why neighborhoods across the state are organizing to Oppose SB9 and SB10
